

Undercover Tents, LLC

Stillwater Sailcloth Tent

Features:

- Tent top is made from slightly translucent vinyl, allowing for both sunlight *and* installed lighting to shine through
- Poles are made with a wood-grain aluminum
 - Side Poles are built with a keder rail system to create a seamless finish with our custom two-piece clear sidewalls
- Tent has rounded corners, so the final shape of the tent is either round or oval
- Has no tent valence
- Inventoried as King/Queen tents, which means that the height of the center poles will be taller in the very center on any sailcloth with 3 or more peaks
- Available sizes include: 32'x30, 32'x40', 44'x43, 44'x63, 44'x83, 44'x103, 51'x51, 51'x71', 51'x91', 51'x111', 57'x56', 57'x96', 57'x116', 57'x126', 57'x146'
