

# Undercover Tents, LLC

## 30'x H2k Frame Tent

### Features:

- Available with white or clear top
- As a frame tent, this will have no center poles
- Aluminum frame is built in which the tent top/sides *slide into* through a keder rail system
- Final tent shape will be either a square or rectangle (square corners)
- Has a straight valence
- Available sizes include: 30x30, 30x45, 30x60 or 30x75. We can go up to 30x90 with a mix of white and clear vinyl top
